Plenary Session 6: Importance of Indian medicine system: Ayurveda and Wellness:

In the midst of the pandemic with the threat of another wave looming, the Wellness and Medical activities serves as a ray of hope for Guest arrivals. Ayurveda, the Indian alternate system of Medicine with its 5000 years of existence has garnered global interest. The use of nature based medical solutions is popular with the public looking for alternatives. Additionally, Post-Covid rejuvenation and detoxification, immunity boosting packages are more common and demand is steadily increasing. Workcation (a healthy mix of work and vacation) is becoming a trend in the younger professionals. To promote India as a Medical destination, the Government of India is developing new policies. The practice of Yoga is famous the world over and if promoted together with Ayurveda will result in a unique selling point. Let's hear from the experts.
